Good afternoon,

I hope you are all staying safe during this time. I would like to applaud those of you who have been working daily on all of your assignments and submitting them to me in a timely manner. Please continue to do so.

I have noticed that some students have been struggling in some subject areas, specifically in Social Studies and some topics in Math. If you have any questions or do not understand something, please reach out to me either through MobyMax messenger or through my Google Voice number [727-859-7989](tel:727-859-7989). I am available all day to answer your questions.
